

# Dima Tronciu

FRONT END DEVELOPER

✉ [tronciud@gmail.com](mailto:tronciud@gmail.com)

📍 Chisinau, Moldova

☎ 069611\*\*\*

## Profile

Currently, I am working with React-Native/TypeScript. I am a team player and always aim for teamwork, code review, documentation, discussion whether it is a complex project or a project just for fun. Also I like to learn always something new, plan to read *Clean Architecture* and for closest future want to become a strong level developer that will monitor and grow up new developers. Here is my social profiles: [LinkedIn](#), [GitHub](#).
