

Dima Tronciu

JUNIOR FRONT END DEVELOPER

✉ tronciud@gmail.com

📍 Chişinău, Moldova

☎ 069611

Profile

Currently, I am working with React-Native/React/TypeScript. I am a team player and always aim for teamwork, code review, documentation, discussion whether it is a complex project or a project just for fun. Also I like to learn always something new and for closest future want to become a good middle level developer that will give advises for juniors. Here is my social profiles: [LinkedIn](#), [GitHub](#).
